

CSWRI

AGRI-BUSINESS INCUBATION CENTRE

ICAR-Central Sheep and Wool Research Institute, Avikanagar

About ICAR-CSWRI, Avikanagar

It is a premier institute of ICAR engaged in research, training and extension activities on sheep and rabbits since 1962 at Malpura in Rajasthan. It has three Regional Research Centres in different climatic zones of the country to develop region specific technologies, located at Garsa (HP), Mannavanur (TN) and Bikaner (Raj). The Institute has developed prolific sheep Avishan besides Avikalin for carpet wool production and Bharat Merino sheep for fine wool production. The institute has developed various technologies in the field of animal physiology, reproduction, nutrition and health. Recently, institute has developed value added wool products like quilt and sapling bags and mutton products such as nuggets and Avi-cookies.

About Agri-business incubation

This centre envisages facilitating incubation of new start-ups & enterprises for innovative technologies by providing need based physical, technical, business and networking support, facilities and services to test and validate their venture before successful establishment of enterprises in the field of sheep, goat and rabbit husbandry and its post harvest technology.

Vision

Promoting entrepreneurship through Agri-Business Incubation Centre through transfer of innovative technology to the end users.

Mission

To inculcate a culture of advance motivated entrepr-eneurship in the animal husbandry sector for the growth and success of emerging technology in small ruminant's production, utilisation and allied sectors.

Focus Areas:

- Commercial sheep, goat & rabbit farming
- Selection of elite sheep & goat for growth and milk
- Rearing system & feed formulation
- Housing requirement & management
- Oestrus synchronisation and Artificial insemination
- Health management practices
- Value added products from Meat
- Diversified industrial products from coarse wool
- Utilization of waste and by products from sheep
- Rabbit production and utilization of rabbit products

Offerings

- Infrastructure
- Counselling
- Technical Mentoring
- Capacity Building
- Technical Consultancy
- Pilot scale production
- Product/process perfection
- Training
- Advisory Service
- Networking
