Disclaimer

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization. Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity/restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and/or terms and conditions governing the bid. Any clause incorporated by the Buyer such as demanding Tender Sample, incorporating any clause against the MSME policy and Preference to make in India Policy, mandating any Brand names or Foreign Certification, changing the default time period for Acceptance of material or payment timeline governed by OM of Department of Expenditure shall be null and void and would not be considered part of bid. Further any reference of conditions published on any external site or reference to external documents/clauses shall also be null and void. If any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations. Also, GeM does not permit collection of Tender fee / Auction fee in case of Bids / Forward Auction as the case may be. Any stipulation by the Buyer seeking payment of Tender Fee / Auction fee through ATC clauses would be treated as null and void.

This Bid is also governed by the General Terms and Conditions.

In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

GENERAL CONDITIONS OF CONTRACT: INTERPRETATION & DEFINITION

1. The contractor shall take necessary steps to ensure that all persons employed on any work in connection with this contract have noticed that the India Official Secrets Act, 1923 (XIX of 1923) applies to them and shall continue to apply even after the execution of such work under the contract. This is important and confidentiality issue shall be the responsibility of the tenderer.

2. Works to be carried out: The work to be carried out under the contract shall, except as otherwise provided in these conditions, include all labour, materials, tools, plant, equipment, and transport which may be required in preparation of and for and in the full and entire execution and completion of works. The description given in the Item wise Abstract Sheet (Schedule to Tender) shall unless otherwise stated, be held to include wastage on materials, carriage and cartage, carrying in return of empties, posting, setting, fitting and fixing in position and all other labour necessary in and for the full and entire execution and completion as aforesaid in accordance with good practice and recognized principles.

3. Discrepancies and adjustment of errors: The several documents forming the contract are to be taken as mutually explanatory of one another.

4. All compensation or other sums of money payable by the contractor under the terms of this contract or any other contract or any other account whatsoever may be deducted from or paid by the sale of a sufficient part of his security deposit or from any sums which may be due or may become due to the contractor by ICAR-CSWRI on any account whatsoever and in the event of his security deposit being reduced by reasons of such deduction or sale as aforesaid, the contractor shall within fourteen days of receipt of notice of demand from ICAR-CSWRI, Bikaner make good the deficit.

4.1 The amount of 5% (five) security deposit **Refund of security deposit** shall only be refunded to the contractor after all the defects pointed out to the contractor are rectified by contractor during maintenance period of One Year from the date of completion of Contract. Performance of System as per the design parameter shall be guaranteed by the Contractor for a period one year from the date of satisfactory completion of the contract.

4.2 No interest shall be payable to the contractor against the Security Deposit furnished/recovered from the contractor, by the ICAR-CSWRI.

5. MATERIALS

A) The Contractor shall at his own expenses, provide all materials of standard quality, required for the work.

i) All material to be provided by the contractor shall be in conformity with the specifications laid down in the contract and the contractor shall, if required by the ICAR-CSWRI of its authorized Authorized Person, furnish proof to the satisfaction of Authorized Person that the materials so comply including various test reports for the materials brought to site.

ii) The Contractors shall at his own expenses and without delay supply to the Authorized Person samples of materials proposed to be used in the works. The Authorized Person shall within seven days of supply of samples or within such 11 further as he may require intimate to the contractor in writing, whether samples are approved by him or not. If samples are not approved, the sub-contractor shall forthwith arrange to supply to the Authorized Person for his approval fresh samples complying with the specification laid down in the contract.

iii) The Authorized Persons shall have full powers to require removal of any or all of the materials brought to site by the Contractor which are not in accordance with the contract specifications or do not conform in character or quality to samples approved by him. In case of default on the part of the contractor in removing rejected materials the Authorized Person shall be at liberty to have them removed by other means. The Authorized Person shall have full powers to procure other proper materials to be substituted for rejected materials and in the event of the contractor refusing to comply, he may cause the same to be supplied by other means. All costs, which may attend upon such removal and/or substitution, shall be borne by the Contractor.

iv) Subject as hereinafter provided in condition all charges on account of octroi, terminal or sales tax and other duties on materials obtained for the works from any source shall be borne by the contractor.

B: Materials required for the works, brought by the contractor, shall be stored by the contractor only at places approved by the Authorized Person, storage and safe custody of material shall be the responsibility of the contractor.

i) ICAR-CSWRI officials concerned with the contract shall be entitled at any time to inspect and examine any materials intended to be used in or on the works, either on the site or at factory or workshop or other place(s) where such materials are assembled, fabricated, manufactured or at any places(s) where these are lying or from which these are being obtained and the contractor shall give such facilities as may be required for such inspection and examination.

ii) All materials brought to the site shall become and remain the property of the ICAR-CSWRI and shall not be removed off the site without the prior written approval of the Authorized Person but whatever the works are finally completed and advance, if any, in respect of any such material is fully recovered, the contractor shall at his own expense forthwith remove from the site all surplus material originally supplied by him and upon such removal, the same shall revert in and become the property of the contractor.

6. The Contractor shall not at any time do, cause or permit any nuisance on site or do anything which shall cause unnecessary disturbance or inconvenience to any Scientist / Officer / Staff of ICAR-CSWRI or any other manpower working in ICAR-CSWRI or the public visiting ICAR-CSWRI.

7. Contractor's Supervision - The Contractor shall either himself supervise the execution of the works or shall appoint a competent Engineer if the Contractor has himself not sufficient knowledge and experience to be capable of receiving instructions or cannot give his full attention to the works, the contractor, shall at his own expense, employ as his accredited agent an engineer. Orders given to the contractors / Engineer shall be considered to have the same force if these had been given to the contractor himself. If the contractor fails to appoint a suitable Engineer, the Authorized Person / ICAR-CSWRI shall have full powers to suspend the execution of the works until such date as a suitable Engineer is appointed and the contractor shall be held responsible for the delay so caused to the works.

8. The Authorized Person/ICAR-CSWRI or his representative shall have powers at any time to inspect and examine any part of the works and the contractor shall give such facilities as may be required for such inspection and examination.

9. The contractor shall only engage the required skilled/semiskilled / Unskilled workmen of adequate qualification and experience as per need of the said work.

10. The Contractor shall employ in and about the execution of the works only such persons as are skilled and experienced in their several trades and the Authorized Person / ICAR-CSWRI shall be at liberty to object to and require the contractor to remove from the works any person employed by the subcontractor in or about the execution of the works who in the opinion of the Authorized Person / ICAR-CSWRI misconducts himself or is incompetent or negligent in the proper performance of his duties and such person shall not be again employed upon the works without permission of the Engineer-in charge.

11. The contractor shall indemnify and keep indemnified the ICAR-CSWRI against all losses and claims for injuries or damage to any person or any property whatsoever which may arise out of or in consequence of the construction and maintenance of works and against all claims, demands proceedings, litigations, damages, costs, charges and expenses whatsoever in respect of or in relation thereto provided always that nothing herein contained shall be deemed to render the ICAR-CSWRI liable for or in respect of or to indemnify the ICAR-CSWRI against any compensation or damage caused by the excepted risks. ICAR-CSWRI shall not be responsible at all for any compensation whatsoever.

12. For closure of contract in full or in part due to abandonment or reduction in scope of work :- If at any time after acceptance of the tender the ICAR-CSWRI shall decide to abandon or reduce the scope of the works for any reason whatever and hence not require the whole or any part of the Works to be carried out, the ICAR-CSWRI shall give notice in writing to that effect to the contractor and the contractor shall have no claim to any payment of compensation or other-wise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole or part of the works.

13. If the contractor is an individual or a proprietary and the individual or the proprietor dies and if the contractor is a partnership concern and one of the partners dies the unless the Accepting Authority satisfied that the legal representative of the individual contractor or of the proprietor of the proprietary concern and in case of partnership

Amal

the surviving partners are capable of carrying out the completing the contract, the Accepting Authority shall be entitled to cancel the contract as to its incomplete part without the ICAR-CSWRI being in any way liable to payment of any compensation to the estate of the deceased contractor and/or to be surviving partners of the Contractor's firm on account of the cancellation of the contract. The decision of the Accepting Authority that the legal representatives of the deceased contractor or surviving partners of the contractor's firm cannot carry out and complete the contract shall be final and binding on the parties. In the event of such cancellation the ICAR-CSWRI shall not hold the estate of the deceased Contractor and/or the surviving partners of the Contractor's firm liable for damages for not completing contract.

14. Cancellation of contract in full or in part: - If the contractor

a) at any time makes default in proceeding with the works with due diligence and continues to do so after a notice in writing of 7 days from the ICAR-CSWRI; or

b) commits default in complying with any of the terms and conditions of contract and does not remedy it or take effective steps to remedy it within days after a notice in writing is given to him in that behalf by the ICAR-CSWRI

c) shall offer, or give or agree to give to any person in ICAR-CSWRI service or to any other person on his behalf and gift or consideration of any kind as an inducement or forbearing to do or having done or forborne to do any act in relation to the obtaining or execution of this or any other contract for the ICAR-CSWRI or

d) shall enter into a contract with the ICAR-CSWRI in connection with which commission has been paid or agreed to be paid by him or to his knowledge unless the particulars of any such commission and the terms of payment thereof have previously disclosed in writing for the Accepting Authority/ICAR-CSWRI.

15- The execution of the work shall commence within 01 week from the date on which the ICAR-CSWRI issues written orders to commence the work. If the contractor commits defaults in commencing the execution of the work as aforesaid, ICAR-CSWRI shall without prejudice to any other right or remedy is a liberty to forfeit the security money absolutely.

16- Liability for damage, defects or imperfections and rectification thereof: If the contractor or his workmen or employees shall injure or destroy any part the building in which they may be working or any building, road, fence, etc. contiguous to the premises on which the work or any part of it is being executed, or if any damage shall happen to the work while in progress the contractor shall upon receipt of a notice in writing that behalf make the same good at his own expenses. In case the contractor fails to comply with the requirement of this condition, ICAR-CSWRI shall have the right to get the work done by other means at the cost of the contractor. Before taking such action, however, the ICAR-CSWRI shall give three day's notice in writing to the contractor.

17-Records and measurement: - The Authorized Person shall except as otherwise stated ascertain and determine by measurement the value in accordance with the contract work done in accordance therewith. All items having a financial value shall be entered in Measurement Book, level book, etc. prescribed by the ICAR-CSWRI so that a complete record is obtained of all work performed under the contract.

a) **Payment of account:** - Interim bills shall be submitted by the contractor at intervals of one month or before the date fixed by the ICAR-CSWRI for the work. The ICAR-CSWRI shall then arrange to have the bill verified. Payment on account for amount admissible shall be made on the ICAR-CSWRI certifying the sum to which the contractor is considered entitled by way of interim payment for the whole work, after deducting there from the amounts already paid the security deposit and such other amounts as may be deductible or recoverable in terms of the contract.

b) **Time limit for payment of final bill 30 days:** - The final bill shall be submitted by the contractor within of physical completion of the works. No other claims shall be made by the contractor after submission of the final bill and these shall be deemed to have been waived and extinguished. Payment of those items of the bill in respect of which there is no dispute and of items in dispute, for quantities and at rates as approved by ICAR-CSWRI, shall be made within the period specified hereunder, the period being reckoned from the date of receipt of the bill by the Authorized Person / ICAR-CSWRI. After payment of the amount of the final bill payable as aforesaid has been made the contractor may, if he so desires, reconsider his position in respect of the disputed portion of the final bill and if he fails to do so within 90 days, his disputed claim shall be dealt with as provided in the contract.

c) **Overpayments and underpayments:-** Wherever any claim for the payment of a sum of money to the ICAR-CSWRI arises out of or under this contract against the sub-contractor the same may be deducted by the ICAR-CSWRI from any sum then due or which at any time thereafter may become due to the contractor under this contract and failing at under any other contract with the ICAR-CSWRI or from any

other sum due to the contractor from the ICAR-CSWRI which may be available with the ICAR-CSWRI or from his security deposit; or he shall pay the claim be strictly regulated to the payment released by the ICAR-CSWRI.

18- The tendered rates shall be firm for the entire tenure of the contract from the date of issue of LOI/entering into the agreement with the ICAR-CSWRI and no escalation shall be payable whatsoever.

19- Unless otherwise provided in item wise Rate Abstract Sheet (Schedule of Tender), the rates tendered by the contractor shall be all inclusive and shall apply to all heights, lifts loads and depths of the building and nothing extra shall be payable to him on this account.

20. No payment shall be made to the contractor for any damage/delay caused by rain, floods or any other natural cause whatsoever during the execution of work. The damage to the work will be made good by the contractor at his own cost and no claim on this account shall be entertained.

21 Some restrictions may be imposed by the security staff etc. on the working and **account** or movement of labour, materials etc. The contractor shall be bound to follow all such restrictions, Security & Safety instructions and nothing extra shall be payable on this account.

22 a) The operation and maintenance will be carried out in the manner complying in all respects with the requirements of relevant by laws of the local body under the jurisdiction of which the work is to be executed or as directed by the Authorized Person / ICAR-CSWRI and nothing extra will be paid on this account.

b) The contractor shall comply with proper and legal orders and directions of the local or public authority or municipality and abide by their rules and regulations and pay all fees and charges for which he may be liable.

23 The contractor shall take all safety precaution to avoid all accidents at all times during the contract by exhibiting necessary caution boards. He shall be responsible for all damages and accidents caused due to negligence on his part.

24 ICAR-CSWRI shall not be responsible for payment of wages to the workmen employed by the contractor for various works.

25 ICAR-CSWRI shall not be responsible for any compensation which may required to be paid to the workmen of the contractor consequent upon any injury/mishap etc.

26 The contractor shall not employ any child below the age of 18 years (as provided under article 24 of the constitution).

27 The contractor shall obtain a license under the Contract Labour (regulation and abolition) Act, 1970 as provided under Section-12 of the said Act before a starting the execution of the work.

28 The contractor shall ensure the payment of minimum wage to the workers employed by him as provided under the minimum wage s act, 1948 and rules framed there under may be applicable the site of work. In no case the work will be allowed to suffer on account of payment of wages.

29 The contractor shall indemnify the ICAR-CSWRI against all such fines, penalties, damages and claims which the ICAR-CSWRI may have to incur on account of any breach or violation on the part of the contractor in implementing, the revisions of various Labour laws and in case the ICAR-CSWRI is made liable for payment of any compensation or penalty of fire or damages on account of failure on the part of the contractor, the expenditure shall be recovered/adjusted from the dues payable to the contractor by the ICAR-CSWRI.

30 The contractor shall comply with the provisions of the Payment of Wages act, 1936, Minimum Wages Act, 1948, Employer's Liability Act, 1938, Workmen's Compensation Act, 1923, Industrial Disputes Act, 1957, Maternity Benefit Act, 1961, Mines Act, 1952, Contract labour Regulation and Abolition Act, 1970, EPF Act or any modification thereof or any other law relating thereto and rules made there under from time to time.

31 The ICAR-CSWRI shall on a report having been made by an inspecting officer as defined in the contractor's regulation have the power to deduct from the moneys due to the contractor any sum required or estimated to be required for making go he loss suffered by a worker or worker by reason of non fulfillment of the conditions of the contract for the benefit of workers, non payment of wages or of deduction made from his or their wages which are not justified by the terms of the contract or non observance of the said contractors labour regulations.

61. Contractor/ Agency will not tamper cable, water lines etc. of the campus. Any damage on account of this will be recovered from bill of Contractor/ Agency.

62. The requisite Water & Electricity would be arranged by the contractor / Agency, at their own expenses. In case these one provide by ICAR-CSWRI then their charges shall be deducted from bills of Contractor / Agency.

63. Termination for default

63.1 The ICAR-CSWRI, without prejudice to any other remedy for breach of contract may by written notice of default sent to the Contractor, terminate the contract in whole or in part, if the contractor fails to the work is satisfactorily completed and handed over to the ICAR-CSWRI or fail to contractual obligation(s) within the time period specified in the contract, or within any extension thereof granted by the ICAR-CSWRI.

63.2 In the event the ICAR-CSWRI terminates the contract in whole, the ICAR-CSWRI may completed the work upon such terms and conditions and in such manner as it deems appropriate, contract and/or services similar to those uncompleted and the contract shall be liable to the ICAR-CSWRI for any excess cost for such similar completion of works. However, the contractor shall continue to perform the contract to the extent not terminated.

64. Force Majeure

64.1 Notwithstanding the ICAR-CSWRI shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure.

64.2 For purposes of this clause, "Force Majeure" means an event beyond the control of the contractor and not involving the contractor's fault or negligence and not foreseeable. Such events may include, but are not restricted to acts of the ICAR-CSWRI in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

64.3 If a Force Majeure situation arises, the contract shall promptly notify the ICAR-CSWRI in writing of such conditions and the cause thereof. Unless otherwise directed by the ICAR-CSWRI in writing, the contractor shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

65 Termination for insolvency

65.1 If the contractor becomes bankrupt or otherwise insolvent, the ICAR-CSWRI may terminate the contract by giving written notice to the contractor, without any compassion to the contractor, provided, that such termination will not prejudice or affect any right of action or remedy which has accrued and/or will accrue thereafter to the ICAR-CSWRI.

66 Termination for convenience

66.1 The ICAR-CSWRI, by written notice sent to the contractor, may terminate the contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for the ICAR-CSWRI's convenience, the extent to which performance of the contractor under the contract is terminated, and the date with effect from which such termination becomes effective.

67. Resolution of disputes

67.1 If any dispute or difference off any kind shall arise between the ICAR-CSWRI and the contractor in connection with or arising out of the contract, the parties shall make every effort to resolve the same amicably by mutual consultations.

67.2 If, after thirty (30) days, the contractor have failed to resolve their dispute or difference by such mutual consultation, then either the ICAR-CSWRI or the contractor may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given.

67.3 Any dispute or difference, in respect of which a notice of intention to commence arbitration has been given, shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the goods/services under the contract.

67.4. The dispute resolution mechanism to shall be as follows:

a) In the case of a dispute or difference arising between the ICAR-CSWRI and the contractor relating to any matter arising out of or connected with the contract, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act, 1996. The arbitral tribunal shall consist of three arbitrators, one each to be appointed by the ICAR-CSWRI and the contractor. The third arbitrator shall be chosen by the two arbitrators so appointed by the parties and shall act as presiding arbitrator. In case of failure of the two arbitrators appointed by the contractor to reach upon a consensus within a period of thirty days from the appointment of the arbitrator appointed subsequently, the presiding arbitrator shall be appointed by the Indian Council of Arbitration or President of the Institution of Engineers (India).

b) The decision of majority of arbitrators shall be final and binding upon both the parties.

c) The cost and expenses of the arbitration proceedings will be paid as determined by the arbitral tribunal. However, the expenses incurred by each party in connection with preparation, presentation etc. of its proceedings as also fees and expenses paid to the arbitrator appointed by such party or on its behalf shall be borne by each party itself.

67.5. However, where the value off the contract is Rs. 15 (Rupees one and half million) and below, the disputes of differences arising in it shall be referred to a sole arbitrator. The sole arbitrator shall be appointed by mutual agreement between the parties. If the parties fail to agree on arbitrator within 30 (thirty) days from the days from he receipt of a request by one party from the other party to so agree, the appointment shall be made upon request of a party, by the Indian Council of Arbitration or the President of the Institution of Engineers (India).

67.6 The venue of arbitration shall be the place from where the contract is issued.

Sl. No.	Item Description	Item Code / Make	Quantity	Units	Estimated Rate in Rs. P	BASIC RATE in Figures To be entered by the Bidder in Rs. P	TOTAL AMOUNT Without Taxes in Rs. P	TOTAL AMOUNT In Words	
1	2	3	4	5	6	13	53	55	
1	Roof repairing								
1.01	Raking out of joints in lime of cement mortar and preparing the surface for re-jointing or replastering including disposal of rubbish to the dumping ground all complete in per direction of in charge.	Item 1	210.50	Sqm	0.00		0.00	INR Zero Only	
1.02	Flush pointing 1 with cement mortar (1:3) cement 3 sand mixed with 2% of integral water proofing compound by weight of cement for flat tile bricks on top of mud phusca. With F.P.S Brick tiles	Item 2	210.50	Sqm	0.00		0.00	INR Zero Only	
1.03	Repairing of Khurras provision of 90 cm long pvc 75 mm dia spout pipe for rainy water after dismantling the parapet wall including reding the same including repairing of Khurras 45x45 cm with average thickness 5 cm cement concrete 1:2:4 (1 cement 2 coarse sand 4 graded stone aggregate of 20 mm nominal size) over pre sheet 1mmx400 micron finished with 12 mm cement plaster 1:3 and a coat of neat cement rounding the edges and making and finishing the out let.	Item 3	5.00	Nos	0.00		0.00	INR Zero Only	
2	Chipping of unsound weak concrete material from slabs, beams, columns etc with manual Chisel and or by standard power driven percussion type or of approved make including tapering of all edges, making square shoulders of cavities including cleaning the exposed concrete surface and reinforcement with wire brushes etc. and disposal of debris for all lead and lifts all complete as per direction of Engineer-In-Charge 25 mm average thickness.	Item 4	121.81	Sqm	0.00		0.00	INR Zero Only	
3	Cleaning of reinforcement from rust from the reinforcing bars to give it a total rust free steel surface by using alkaline chemical rust remover of approved make with pain brush and removing loose particles after 24 hours of its application with wire Brush and thoroughly washing with water and allowing it to dry, all complete as per direction of In Charge Bars up to 12 mm diameter	Item 5	1,000.00	Metre	0.00		0.00	INR Zero Only	
4	Providing mixing and applying bonding coat of approved adhesive on chipped portion of RCC as per specifications and direction of person complete it all respect								
4.01	SBR Polymer 10% of cement weight) modified cementitious bond coat @22 kg cement per sqm of surface area mixed with specified proportion of approved polymer	Item 6	121.81	Sqm	0.00		0.00	INR Zero Only	
4.02	Providing mixing and applying SBR polymer (of approved make) modified Cement mortar in proportion of 1:4 (1 cement: 4 graded coarse sand with polymer minimum 2% by wt. of cement used) as per specifications and directions of Engineer-in charge. 12 mm average thickness	Item 7	121.81	Sqm	0.00		0.00	INR Zero Only	
5	Shotcreting R.C.C. columns, beams and slabs etc. in layers with approved design mix concrete having the specified minimum characteristic compressive strength (with ordinary portland cement, coarse sand and graded stone aggregate of 10 mm maximum size in proportion as per design criteria) including the cost of centering and shuttering at edges and corners etc. as directed by Engineer- in Charge Note: Rates shall include the providing necessary ground wires etc. The leveling gauges, if used, shall be paid for separately. Payment under this item shall be made only after proper wet curing has been done and surface has been satisfactorily evaluated by sounding/tapping with a blunt metal instrument 25mm thick in Grade M-25 with cement content not less than 330 kg per cum	Item 8	112.92	Sqm	0.00		0.00	INR Zero Only	
6	Removing dry or oil bound distemper, water proofing cement paint and like by scrapping sand papering and preparing the surface smooth including necessary repairs to scratches etc complete	Item 9	620.87	Sqm	0.00		0.00	INR Zero Only	
7	Providing and applying plaster of paris putty of 1 mm thickness over plastered surface to prepare the surface even and smooth complete.	Item 10	620.87	Sqm	0.00		0.00	INR Zero Only	
8	Wall painting with premium acrylic emulsion Paint of interior grade, having VOC (Volatile Organic Compound) content less than 50 grams/ litre of approved brand and manufacture, including applying additional coats wherever required to achieve even shade and colour.	Item 11	620.87	Sqm	0.00		0.00	INR Zero Only	
9	P/F hard drawn steel wire fabric of size 75x25 mm mesh or other suitable size wire mesh to be fixed & firmly anchored to the concrete surface by means of L shaped mild steel key welded with existing reinforcement including the cost of material labour tools & plants as approved by the in charge.	Item 12	110.00	Sqm	0.00		0.00	INR Zero Only	
10	Painting with synthetic enamel paint of approved brand and manufacture of required colour to give an even shade. One or more coats on old work	Item 13	90.60	Sqm	0.00		0.00	INR Zero Only	
Total in Figures								0.00	INR Zero Only
